TOWN WARRANT

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 30th day of March, 1936, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock, P. M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 P. M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

A moderator for a term of one year,
 One selectman for a term of three years,
 One member of the board of public welfare for a term of three years,
 One assessor for a term of three years,
 One member of the school committee for a term of three years,
 A treasurer and collector for one year,
 An auditor for a term of one year,
 One library trustee for a term of three years,
 A library treasurer for a term of one year,
 One trustee of the Merriam Fund for the Silent Poor for a term of three years,

One park commissioner for a term of three years,
 One cemetery commissioner for a term of three years,
 One member of the board of health for a term of three years,
 Three measurers of lumber for one year,
 One member of the board of commissioners of trust funds
 for a term of three years,
 One member of the board of water commissioners for a
 term of three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$7,500.00 or such other sum as the town may deem proper in the premises.

ARTICLE 4. To determine whether the Town will vote to amend the vote passed under Article 11 of the warrant for the annual Town Meeting held March 30, 1931 by reducing the amount of the appropriation for certain extensions to the water system from \$13,500 to \$13,000 and revoking the authority now in force to issue an additional bond in the sum of \$500.

ARTICLE 5. To determine what action the Town will take relative to the care of the dwelling house at the corner of South Avenue and Park Road owned by the town, to authorize the Selectmen to manage and rent the same and to appropriate money for improvements and repairs thereto.

ARTICLE 6. To determine whether the town will vote to authorize the School Committee to expend from the appropriation of \$1500 for taking and improvement of land for recreational purposes a sum not exceeding \$300 for the purchase of real estate in connection with the proposed improve-

ment and enlargement of the property adjoining the school buildings.

ARTICLE 7. To determine whether the town will vote to authorize the School Committee to expend a sum not exceeding \$21,000 for completing the construction of the high school building and providing the additional school rooms including the cost of original equipment and furnishings thereof, to appropriate \$3,000 of said sum to be raised by taxation during the current year and to raise by borrowing the sum of \$18,000 to be expended for said purpose under the supervision of the School Committee and to vote to issue such bonds or notes as may be necessary or advisable in connection therewith.

ARTICLE 8. To determine whether the town will vote to authorize the sale and conveyance of a certain parcel of land located on Golden Ball Road now or formerly used for purposes of the Highway Department; to authorize the selectmen to give deed and to determine the amount to be paid for same.

ARTICLE 9. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town,

namely, at the town house, at the Kendal Green post office, and on the town bulletin-board at the junction of South Avenue and Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this third day of March in the year of our Lord one thousand nine hundred and thirty-six.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, Jr.,

Selectmen of the Town of Weston.

Number of dog licenses issued during the year:

328 males at \$2	\$656.00
90 females at \$5	450.00
93 females spayed at \$2	186.00
1 kennel license at \$50	50.00
2 kennel licenses at \$25	50.00
2 reissued licenses at 25c50
	<hr/>
	\$1,392.50
514 licenses at 20 cents	\$102.80
2 reissued licenses at 25 cents50
Paid County Treasurer	1,289.20
	<hr/>
	\$1,392.50

BRENTON H. DICKSON, JR.,
Town Clerk.

REPORT OF THE SELECTMEN

The Selectmen submit the following report for the year ended December 31, 1935, and include herein the budget of appropriations recommended for the year 1936 as provided by Section 5 of Article II of the By-Laws.

At the annual town meeting held March 25, 1935, Brenton H. Dickson, Jr., was re-elected as a member of the Board for a term of three years. The Board organized immediately after the annual town meeting by the election of Mr. Tyler as Chairman and Mr. Young as Secretary.

During the year 1935 the Board held twenty-seven meetings and four public hearings. Members of the Board have also from time to time conferred with other town officers and have attended hearings at the offices of the County Commissioners of Middlesex County and at the State House in Boston.

The list of officers and committees elected or appointed during the year and also a list of licenses and permits granted by the board are set forth in detail in the Town Records printed hereinafter in this volume.

Town Finances

The Selectmen have had several conferences with the members of the Finance Committee and unanimously recommended the table of appropriations appearing immediately after this report. The total appropriations recommended amount to \$237,652.03 as compared with \$253,303.02 which was the sum appropriated last year.

Slight increases are necessary for salaries and wages. The town at the annual meeting in March 1935 restored two-thirds of the pay cut previously voted by the town in March 1933 but this went into effect as of April 1, 1935. This resulted in adding to the appropriations last year one-half of the amount of the 10% reduction because an increase of two-thirds for nine months of the year equals 50%. The

added expense for the current year will be $16\frac{2}{3}\%$ of the pay cut which must be added to all salary accounts.

Certain other items require explanation. The expenses for land damages in connection with the by-pass have now been completed. The last three cases out of approximately forty different land takings were disposed of in 1935, one by a judgment of almost \$7,000 after trial and jury verdict and the other two by settlements out of court.

Another appropriation which requires explanation is the item of \$5,077.03 under Recreation Park Department—Land Taking. A number of years ago the town voted to take for park purposes the parcel of land lying to the west of the Town House and an appropriation of \$5,000 was made to cover possible damages. The case finally came to trial before a judge without a jury and judgment was awarded to the plaintiff, Mr. George H. D. Lamson, which with interest amounted to \$10,077.03. It was obviously to the advantage of the town to apply the judgment at once rather than let it run at interest and therefore the Selectmen directed the Treasurer to pay the balance over and above the appropriation directly from the treasury. This resulted in an overdraft of \$5,077.03 which sum must now be appropriated in order to correct the books of the town. This appropriation will not affect the tax rate because the amount appropriated will not be spent but will merely be added to the surplus in the treasury and thereby become available as a revenue. It is purely a bookkeeping transaction.

Attached to the Selectmen's report is the report of Thomas A. Tilton who has acted as Selectmen's Agent in connection with federal projects under the Emergency Relief Administration and the Works Progress Administration. During 1935 an average of forty-seven residents of Weston were employed on federal projects. The town spent from various appropriation items \$11,762.16 for materials, equipment and supervision and the persons employed received from the federal government \$23,778.19 in wages. A number of valuable projects were completed and others are now in progress and will be continued as long as federal money

remains available. Whether or not we approve of the government's policy of spending federal money for this relief work, it is obvious that the town should take advantage of the opportunity to secure employment for our citizens and thereby carry forward projects which are of real benefit and value to the town. The Selectmen have approved no projects which were not of real public benefit. At the request of the Works Progress Administration, a transfer from the Reserve Fund was made in December amounting to \$3,962.38 so that there would be available necessary funds in case of emergency without drawing on regular departmental appropriations. Following this policy, we have inserted in the budget an additional \$3,000 for federal projects. This has enabled us to reduce the highway appropriation by \$2,000.

We have reduced from \$5,000 to \$2,500 the appropriation for Library Incidentals because of the fact that there is available in the dog license fund \$2,835.33 for library purposes.

The expenses for law have been substantial in recent years due to land damage cases and other litigation. We contemplate less expense during the present year. In 1935, in addition to the three land damage cases referred to in connection with the Boston Post Road or by-pass and the case of Lamson v. Weston, we had three cases before the Board of Tax Appeals, the case of Bronner v. Weston, in which Judge Donnelly awarded, \$1,084.09 to the plaintiffs for damages on account of a defective highway, while the Selectmen settled for \$178.65 the claim of Emmet J. Bryson of similar nature.

Article 4 of the warrant relates to an unexpended loan balance of \$500 which was authorized in 1931. The appropriation and loan authorized in that year amounted to \$13,500, of which only \$13,000 was used. The remaining item of \$500 was never in fact borrowed and it would be too expensive and inconvenient now to issue one \$500 bond. The auditor has requested a vote authorizing him to strike this item

from the books and an appropriate vote will be offered at the town meeting for this purpose.

The Davis Gift

On June 19, 1930, Mrs. Anne H. Davis deeded to the town a parcel of land at the corner of South Avenue and Park Road amounting to approximately four acres and including a dwelling house and barn. This gift was accepted by the town at a special town meeting held January 6, 1931. The gift of the dwelling house was subject to a life estate previously given by Mrs. Davis to Mrs. Patrick Connolly. Mrs. Connolly died in the summer of 1935 and at the time of her death the dwelling house was occupied by a responsible tenant under lease from Mrs. Connolly. It seemed unwise to call a special town meeting to consider the future management and control of the house and the Selectmen arranged with the tenant to have him continue to occupy the house at a rental of fifty dollars per month. If the rent collected had been paid into the treasury of the town there would have been no funds available to meet necessary repairs. To meet this emergency, the Selectmen personally collected the rent and opened a separate account into which \$250 has been paid and from which \$138.57 has already been expended for necessary repairs. We have inserted an appropriate article in the Warrant so that the town may determine how this matter shall be handled in the future. It seems clear that the rent should hereafter be paid directly into the treasury of the town and a small appropriation made to meet repairs and improvements.

The High School Building

The Selectmen have inserted in the Warrant at the request of the School Committee a special article which will bring before the town the question of the advisability of expending \$18,000 to \$21,000 for final construction of the new high school building. The proposal is to convert the unfinished portion of the basement into three new school

rooms. If the sum of \$21,000 is appropriated, \$3000 must be met from taxes or revenue and the balance of \$18,000 may be met by a bond issue. The Selectmen have not inserted this item in the budget but will await the action taken by the town at the annual meeting. The Municipal Finance Act provides that a bond issue for such a purpose must be adopted by a two-thirds vote of the voters present and voting at the meeting.

The Annual Town Meeting

The annual meeting of the voters of the town will be held on Monday, March 30th, and the Selectmen hope that the meeting will be well attended. Our town has very few special meetings and the only chance for town officers and committees to meet the voters as a whole and to render an account of their stewardship is at the annual meeting. We welcome frank and free discussion of all matters of town government and will appreciate all constructive criticism.

Especially do we urge the voters to study with care the proposed budget. We want to point out that the surplus at the end of 1935 was \$51,947.28 as against the 1934 surplus of \$34,055.45, an increase of \$17,891.83. There is now in the overlay reserve fund \$7,224.81 which can be transferred to the budget item of Reserve Fund by vote thereby making it unnecessary to vote a direct appropriation for that item. This follows the policy adopted last year. If the budget recommendations are not increased by vote of the town the tax rate can be reduced by at least \$1.00 unless state and county taxes more than offset this possible reduction.

We again thank all the officers and employees of the town for their conscientious and painstaking work.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.

REPORT TO SELECTMEN ON E R A AND W P A

During 1935 Weston has continued giving relief work to the unemployed persons under the Federal Emergency Relief Administration. In November the E R A was terminated, and the W P A (Works Progress Administration) was formed to carry on this work. It is still continuing under W P A.

An average of 45 men and two women, all Weston residents, were working during the year. They with the members of their families represent about 185 persons receiving benefit from this work.

The Government has paid them a total of \$23,778.19 in wages. The Town has spent \$11,762.16 for materials, equipment, and supervision. The money from the Government was an outright gift to the Town, and the Town has been very fortunate in having enough money in the various departments to carry on without any especial appropriations. Thus the Relief work in Weston has not added anything to the tax rate.

The Projects that the men have worked on are as follows:

At the School, an Athletic Field, intended for a Girls' Hockey Field, was finished, graded, and seeded in time to get a good catch of grass this fall. It will be available for use in the spring. In another location on land in back of the Schools, ditches were dug, drain pipe laid, underbrush cut off, trees thinned out, stumps removed, and the sod turned over, preparatory to making available three acres more for Playground purposes. In the Grade School Assembly Room, an old partition was torn down, a new one erected, and a facade built, making a Stage available in place of the Platform formerly in use. The Health Unit was re-shingled, and the Bleachers on the Baseball Field were repaired and strengthened. Under the supervision of the Water Department, 1110' of 10" pipe was laid in Summer Street, and 200' of 6" pipe in Cedar Road connecting up at both ends with the

pipe already laid, and thus completing a circuit, which will give much better service and protection to all the residents in that section of Town. A total of 793' of 6" pipe was laid in Featherbed Alley and Nightcap Lane.

With the cooperation of the Highway Department, a section of Summer Street was straightened and widened. It was unfortunate that we were not able to work continuously on this project. But it was necessary to suspend work for nearly seven months, leaving the street in a partly torn up condition. In December, however, under the W P A a new Project was put through to finish this work. This was done, and all that remains is a small amount of fill and the surfacing. The Highway Department will soon complete this. At the corner of Sunset Road and Merriam Street a Storm Drain was constructed, 625' of 10" concrete pipe was laid, and a manhole and a catch-basin was built. This will take care of the surplus water which has always collected there in wet weather, causing much damage and inconvenience to the residents there.

A Project to paint Gypsy Moth Eggs was carried to completion, and the whole Town was covered. This will have to be done again this year, as in certain parts of Town, the Gypsy Moth has been increasing alarmingly during the past few years.

Two Weston women have worked on a Sewing Project at Sudbury.

The Project to number all houses in Weston was completed, and in the future any new houses built will automatically receive numbers from the plans kept at the Town Hall.

Three men worked for the Federal Housing Administration in Weston as an E R A Project. They received 26 pledges to do \$29,475.00 of work.

An embankment in front of the Town Hall was cleaned up, by thinning out the trees, cleaning out the underbrush, removing rubbish that had been dumped there, and raking over the whole area. This has considerably added to the

beauty of the Common, and has also enabled the Town Hall to be seen to better advantage from across the Common.

An E R A Garden was carried on during the summer. Through the courtesy of Miss Louisa Case, we were allowed to use three acres of land on School Street. We raised over 600 bushels of vegetables which were distributed to needy Weston families during the summer and fall.

Another Project has been cutting down dead trees, and trimming branches from the trees bordering the public Highways. This will add considerably to the appearance of the trees as well as their life. All wood so cut has been given to Weston people.

Under the W P A at present we are working on the following Projects:

A complete survey of the Town, including boundaries and streets.

Painting the Town Hall, inside and outside.

Developing land on the School Playground.

Trimming trees on Highways.

Sewing Project.

Merriam Street Storm Drain.

We feel that with this work, Weston people have been able to help themselves in times when they could not get outside employment, and that the town has benefited by the work that they have done.

We have endeavored to accomplish worthwhile things with the projects, that would have lasting value to the town, and not to simply provide work at jobs of no material benefit.

THOMAS A. TILTON,

Selectmen's Agent.

January 24, 1936.

REPORT OF THE POLICE DEPARTMENT

TO THE BOARD OF SELECTMEN:

Gentlemen:—

Following is the report of the Police Department for the year ending December 31, 1935:

Violent deaths	3
Writs served	1

The Police Department has made several additions to its equipment in the past year. We have purchased a finger-print cabinet, and we have been presented a finger-print camera by Mr. William Austin, on behalf of the Austin family. Thanks to this fine and public-spirited gift we are now better equipped in this respect than many other departments in the State, and it has already proved of invaluable assistance in many cases.

Several of the officers have had regular shooting practice under the instruction of Mr. Frank A. Belden, and have accounted for themselves very creditably in competition with other revolver teams. Three of the officers have taken the course in First Aid offered by the Red Cross.

While the Department has had little serious crime to contend with in the past year, we have found the detail work constantly greater with the growth and development of the Town. You will note a considerable increase in the number of complaints and investigations over the figure for 1934. If we are to continue to give efficient service we shall probably have to have another cruising car, and soon we shall have to face the problem of providing proper garaging facilities for our motor equipment.

I recommend an appropriation of \$11,000.00 for the ensuing year.

Respectfully submitted

J. SUMNER VILES,
Chief of Police.

REPORT OF THE SUPERINTENDENT OF STREETS

TO THE BOARD OF SELECTMEN:

Dear Sirs:—

I herewith respectfully submit the report of the highway department for the year 1935.

There has been spent for highway maintenance and sundry purposes the sum of \$35,386.38. The principal items as listed under the auditors report are as follows:

Salaries and Wages	\$17,330.28
Truck hire (E. R. A. & W. P. A.)	1,029.25
Broken stone, sand and gravel	2,327.70
Tarvia and Oil	3,353.62
Pipe, lumber, cement, etc.	598.97
Coal, gasoline and electric power	1,569.10
Equipment & repairs (includ. \$1,000 rent of roller)	2,540.17
Blasting	787.20
Snow and Ice	4,961.70
All other expenses	888.39
	<hr/>
	\$35,386.38

You will note that the total of expenditures exceeds the appropriation of \$35,000 by the sum of \$386.38.

This was due to the diversion of funds for E. R. A., W. P. A. and other federal relief activities, approximately \$2,000 being spent in this manner. Again this year I recommend a special appropriation to take care of these Relief items so that we may budget our expenses and not exceed our appropriation.

The highways of the town have been repaired and maintained for the most part by the methods employed in preceding years. Some departure has been made in the method of application of bituminous materials.

We have used for patching purposes 550 gallons Trimuls, 2,425 gallons Tarvia B, 70.2 tons ready mixing patching and for resurfacing, 26,613 gallons Tarco C.

We have built a honing machine with our own labor and adopted the method which is proving so successful on State Highways and in many towns and cities. It consists briefly of thoroughly mixing the bituminous material with the cover material, leveling and rolling.

Present indications are that it will be the most satisfactory method of smoothing up our streets and at the same time providing us with a surface which renders skidding less likely.

While this honing process is more expensive than the old methods I believe that the better results obtained justify the added expense.

As fast as possible with our limited funds we have installed and extended our surface water drainage systems. We have just completed the installation of about six hundred and fifty feet of drains and four catch basins on Merriam Street and Sunset Road. This has been done as a W. P. A. project.

As this report is being written we are working on a drainage system for the northerly end of Highland Street which will take care of a serious water condition in this district and we are doing the work in such a manner that at some future date the natural basin on Irvington Court can be drained. This project is being done under the State Bond issue which provides money for both labor and materials.

During the month of November the Highway Department took over the work on Summer Street in conjunction with the W. P. A. project. Work progressed quite rapidly until the last of December when the W. P. A. funds were exhausted.

There is still a great deal of work to be done in order to complete the project but it is work which cannot be done at this time of the year. It will cost about \$2,000 to complete this section and I suggest that this be taken into consideration when making up the budget for this year.

Plans for the coming year are indefinite at this time because of the relief problem and because we do not know what action the Federal government is to take after July 1st when present activities cease.

Sidewalks

There has been spent during the year 1935 for the repair and rebuilding of sidewalks the sum of \$999.60. About four thousand feet of sidewalk in the Silver Hill district has been resurfaced with Type E sidewalk material and the sidewalk on Church Street for a distance of sixteen hundred feet has been raised from two to fourteen inches and surfaced with the same material. This has been a great improvement over the old sidewalk on Church Street which at times was impassable because of water and it is hoped that we can continue this work in the coming year.

Snow and Ice

There was expended for the removal of Snow and Ice the sum of \$4,961.70.

Equipment

We have purchased this year one three to five ton Mack truck to replace the old truck and one new Ford truck. By the purchase of the new Ford truck we will be able to furnish the W. P. A. one truck and still continue our regular maintenance work without interruption.

A glance at the Auditor's report will show that more money was spent last year for hired trucks than would purchase one outright. After considering this fact carefully and that it could also be used in the winter time for snow removal it was decided that we should purchase it for economical reasons.

Other small tools purchased this year consist of an electric drill, grindstone, bench grinder, forge, a chain falls and a few other small tools.

When, at the first of the year, it became apparent that it would be necessary to hire a roller and that the Town would probably buy one at some future time an agreement was signed with the Buffalo-Springfield Roller Company to put into the Town of Weston a new roller such as we wanted for \$250 per month for three months or as much longer as we wanted it at that price.

Further provisions of the agreement were that when we were through with the roller for the year it was to be put in storage until after town meeting. There was to be no interest charges during this time.

If the town wishes to act favorably upon the purchase of this roller, which we recommend, the sum which we have paid for rental (\$1,000) is to be deducted from the purchase price of \$4,950 leaving a balance to be paid of \$3,950.

We have sold the old obsolete steam rollers for the sum of \$547.50 which seemed to us a very fair price considering their age and condition and the money has been paid to the Town Treasurer.

Both the agreement with the Roller Company and the sale of the old rollers were approved by the Board of Selectmen.

Recommendations

For the coming year I would make the following recommendations:

General Maintenance	\$35,000.00
Sidewalks	1,500.00
Machinery accounts	5,500.00

I wish to extend my appreciation to the employees of the department for their loyalty and cooperation in carrying on the work.

Respectfully submitted,

A. M. UPHAM,
Superintendent of Streets.

REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN WESTON FOR THE YEAR 1935

There are a number of milk distributors located in Weston who purchase near-by milk and sell in the local and Greater Boston Markets. The Extension Service has tried to keep contact with these dealers and their producers, to maintain a quality supply of milk from the farmer to his distributor so that both may keep their markets. The question of farmer price has been the subject of several conferences.

Recommendations have been made to farmers on herd management, feeding, selecting replacement cattle and pasture improvement. Definite schedules and recommendations on time of seeding and choice of emergency hay crops have been made and adopted.

Poultrymen have received help on disease diagnosis and control, range management and housing.

Five farm visits were made on fruit growing. Spray warning service was given to fourteen fruit growers giving definite information on the time to spray, the materials to use and the insects and diseases to control.

While there is no organized Extension work among homemakers in Weston, the town has been served through home visits, made at the request of various homemakers.

Questions upon such problems as low cost meals, food preservation, and house cleaning suggestions have been taken care of by sending bulletins.

A talk was given on 4-H work and some United States Department of Agriculture movies were shown for a program of the Weston Grange.

Home visits were made with the purpose of explaining the scope of 4-H clubs to workers in some junior organizations which in other towns have been interested in cooperation.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

TO THE BOARD OF SELECTMEN:

Gentlemen:—Following is the report of the Sealer of Weights and Measures for the year ending December 31, 1935:

Scales:

	Adjusted	Sealed	Non-Sealed	Con-demned
Platform over 5000 pounds	—	3	—	—
Counter over 100 pounds	—	1	—	—
Counter under 100 pounds	2	9	—	—
Beam over 100 pounds	1	9	—	—
Spring under 100 pounds	5	18	—	—
Computing under 100 pounds	4	11	2	—
Slot weighing machines	—	3	—	—

Weights:

Avoirdupois	—	18	—	—
-----------------------	---	----	---	---

Measures:

Liquid	—	18	—	—
Gasoline Pumps	—	6	1	—
Gasoline Meters	1	15	—	—
Kerosene Pumps	1	3	—	—
Oil Pumps	—	5	—	—

Fees for sealing \$25.28

Adjusting fees80

\$26.08

I recommend an appropriation of \$100.00 for the ensuing year.

Respectfully submitted,

J. SUMNER VILES,
Sealer of Weights and Measures.

THE REPORT OF THE SUPERINTENDENT OF MOTH WORK

TO THE BOARD OF SELECTMEN:

Gentlemen:—In my last annual report I referred to the fact that a thorough scouting of the town for gypsy moth egg clusters as an E. R. A. Project was in progress. This was completed in the early spring. The egg clusters were found quite generally throughout the town and creosoted, but no where have they yet reached the quantities to cause defoliation. I feel this annual scouting and creosoting is very well worth while and at present am trying to get through another W. P. A. Project to repeat last winter's beneficial results.

Very truly yours,

EDWARD P. RIPLEY.

REPORT OF THE PARK COMMISSIONERS

The Park Commissioners submit the following report for the year 1935.

The activities of the Park Department were purely of a routine nature, with the exception of cleaning up the woods along Town House Road. This was done as a P. W. A. Project and the only expense to the Town was for trucking away the brush and rubbish. This amounted to about \$50.

We recommend an appropriation of \$100.

BENJAMIN S. BLAKE,

AUSTIN B. MASON,

Park Commissioners.

REPORT OF THE TREE WARDEN

Appropriation		\$500.00
Expenditures		
Elm Tree beetle control—spraying		
Bartlett Tree Expert Co.	\$250.00	
E. J. Halloran	50.00	\$300.00
Labor & Service		
Bartlett Tree Expert Co.	47.77	
John E. Lingley	21.09	
Martin Tebo	3.00	71.86
Purchase of trees		
Weston Nurseries	21.00	21.00
Tools and equipment		
B. R. Parker	15.95	
Waltham Saw Service	13.10	29.05
Total		\$421.91
Balance unexpended		\$ 78.09

The above expenditures have been made for the following purposes:

Spraying of Elm Trees

Sixty percent of your appropriation was expended in spraying elm trees to control the elm tree beetle. This pest does not necessarily kill the trees, but it renders them most unsightly and useless as shade trees. As a result of the spraying there was comparatively little defoliation.

Planting of Trees

Several small trees were set out along Sunset Road. Unfortunately they were planted a little late, the summer was unusually dry, and some of them did not survive.

Removal of Dangerous Trees

A number of dead or decayed trees were removed in the interest of public safety. With the assistance of an E. R. A. appropriation and the active cooperation of other departments, particularly the Street Department, it was possible to accomplish this work with an extremely small expenditure.

Pruning of Trees and General Improvement

As a result of the active cooperation of the E. R. A. Supervisor an E. R. A. project was initiated early in July which made it possible to accomplish a great deal of work which, with the limited appropriation available, would have otherwise had to be left undone. With the aid of this project it was possible to survey the trees fairly thoroughly and to remove most of the decayed trees, dead limbs, scrub growth, etc.

Recommendations for the coming year are as follows:

Dutch Elm Disease

Owing to the fact that no trained personnel was available and also owing to the fact that no cases of infestation have been reported within a considerable distance no search was made for Dutch Elm Disease infestation. However, the danger of this disease is always present and it may become necessary at any time to initiate steps toward its discovery and eradication. It is recommended that if and when occasion should arise activities should be undertaken only in conjunction with similar activity in adjoining towns and under the immediate direction of trained personnel. Independent action in as small an area as Weston will be of little or no value, especially if the personnel involved is untrained.

Spraying, Planting and General Care

It is believed that the policy of spraying the elm trees annually should be continued. It is further recommended

that a W. P. A. project be instituted for the purpose of planting a number of trees in desirable locations and also for the purpose of removing others from locations which are now much too thickly grown.

It is believed that with the exercise of economy and with continued cooperation from other departments an appropriation of \$500 for the coming year should prove sufficient, and it is recommended that this sum be appropriated.

CHARLES E. MEAD,
Tree Warden.

REPORT OF THE INSPECTOR OF WIRES

TO THE BOARD OF SELECTMEN:

Gentlemen:—The Inspector of Wires respectfully submits the following report for the year ending December 31, 1935:

Number of permits issued	138
Fees collected	\$69.00

All fees have been paid to the Town Treasurer.

FRANKLIN C. MULOCK,
Inspector of Wires.

REPORT OF THE INSPECTOR OF BUILDINGS

TO THE BOARD OF SELECTMEN:

Gentlemen:—The Inspector of Buildings respectfully submits the following report for the year ending December 31, 1935:

During the year 54 permits were issued of which 17 were for new dwellings. Fees collected amounted to \$116.50 which have been paid to the Town Treasurer.

Estimated value of new buildings	\$155,800.00
All others	53,200.00
	<hr/>
	\$209,000.00

FRANKLIN C. MULOCK,
Inspector of Buildings.

REPORT OF THE BOARD OF FIRE ENGINEERS

During the year the Department responded to 63 bell alarms and 67 still alarms as follows:

- Jan. 5. Still alarm, Boy lost.
- Jan. 9. Box 34, at 10.50 A. M., Hot water Heater, Wm. Toohy, Newton St.
- Jan. 13. Box 35, at 2.40 P. M., Automobile of Ernest Lyons, Church St.

In last year's report we recommended the purchase of a ten-circuit repeater for the fire alarm system. During the early summer this was done and some improvements were made in the system at a total cost of \$2700. The storage batteries were moved from the second floor to the basement, and two new circuits were added to the switch-board, one a supervisory circuit and the other to control all the instruments in the station. The motor generator

set used for charging the batteries was replaced by a modern high rate rectifier. This new repeater lays the foundation for a much more extensive system.

All the rooms on the second floor were refinished.

We have not yet replaced all the old type fire alarm boxes but will continue replacement and the system will be extended from time to time.

We recommend an appropriation of \$12,000.00 for the coming year.

F. C. MULOCK,

W. A. MARTIN,

H. A. COBURN,

Board of Fire Engineers.

REPORT OF THE PLANNING BOARD

TO THE BOARD OF SELECTMEN:

Gentlemen:—The Town Planning Board, pursuant to the vote at the Town Meeting of March 1935, reports that the site agreed upon between B. L. Ogilvie and the Selectmen, namely, the marsh at the east side of Warren Avenue in the rear of the Boston Post Road, north side, is suitable and proper for a public dump. Filling it under the supervision of the owner, without expense to the Town, according to the plan proposed, will increase rather than injure the value of neighboring property on both sides.

FREDERICK H. NASH, *Chairman*

AGNES FITZGERALD,

GEORGE W. BAILEY,

HARRY L. BAILEY,

RAYMOND W. COBURN.

REPORT OF HISTORICAL COMMITTEE

TO THE BOARD OF SELECTMEN:

The Weston Historical Committee respectfully submits the following report for the year 1935:

The Committee has received some additions to the collection of photographs of old houses and other buildings of the town, and also several gifts of articles of historic interest. When there is a suitable place for storing and showing the collection, many treasures which are now promised, will come into possession of the committee.

As before, the committee will welcome gifts of old photographs, documents, or articles of historic interest, and will be glad to have copies made for the collection of old photographs.

It has been suggested that there be formed a Town Historical Society and it is hoped that enough interest in this will develop in the town to make this possible in the near future.

GERTRUDE FISKE,
ALICE E. JONES,
EDWARD P. RIPLEY,

REPORT OF THE SCHOOL COMMITTEE

Weston, Feb. 3, 1936.

The School Committee respectfully submits the following report for the school year ending December 31, 1935.

At the annual Town Meeting, held on March 25, 1935, Mr. Raymond W. Coburn was elected for a term of three years.

The Committee organized at its regular meeting, held on April 10, 1935, by electing Mr. Raymond W. Coburn as Chairman, and Mr. David A. Perry as Secretary.

Twelve regular meetings and one special meeting were held during the year.

At the regular meeting held on May 7, 1935, the following appointments were made:

Mr. Carl T. Rhoades, Superintendent of Schools and Principal of the High School.

Mr. Allan Cameron, Custodian of Buildings and Grounds.

Mr. Charles L. E. Bolton, Asst. Custodian of Buildings and Grounds.

Also at the regular meeting held on May 7th, the following teachers were appointed:

Miss Constance E. Burrage
Miss Helen B. Green
Miss Emma F. Ripley
Mrs. Elizabeth R. Wheeler
Miss Mildred Phillips
Miss Emily F. Adams
Miss Hazel M. Staples
Mrs. Helen G. Hill
Miss Elizabeth P. Cobb
Mrs. Georgiana Eldred

Miss Mabel R. MacElhinney
Mrs. Dorothy B. Frye
Mrs. Virginia Morrissey
Mrs. Hilda F. Applin
Miss Ella Brotchie
Miss Mildred L. Marble
Mrs. Vida C. Strahan
Miss Lucy Dodson
Miss Sylvia Moulson

In addition to the above, the following special teachers were appointed:

Mr. Wallace W. Sawyer, Submaster of the High School.
 Mr. Crosby E. Redman, Instructor of English.
 Mr. Phillip E. Perry, Manual Training.
 Mr. William H. Taunton, Music.
 Mr. John S. Proctor, Coach and Director of Physical Education.
 Miss Marjorie D. Morse, Jr., Teacher of Physical Education.
 Miss Gudrun Gustafson, Teacher of Art.

At a special meeting held on June 20, 1935, the following appointments were made:

Dr. Fresenius Van Nuys, School Physician.
 Dr. Faith L. Meserve, Asst. School Physician.
 Miss Jessie Haldane, School Nurse.

At the regular meeting held on July 15, 1935, Miss Mary E. Allen was appointed as a teacher.

Also at this meeting, arrangements were made with Miss Jessie Haldane to take the School Census, as of October 1, 1935, which is submitted herewith:

SCHOOL CENSUS, OCTOBER 1, 1935

	Ages 3-5		Ages 5-7		Ages 7-14		Ages 14-16		Ages 16+	
	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls
In public school .	—	—	48	44	167	147	46	52	39	38
In private school	5	12	11	14	41	37	25	8	Not Obtained	
Not in school .	42	49	5	5	2	—	—	—		
Totals . . .	47	61	64	63	210	184	71	60	39	38

At the meeting held on October 3, 1935, the resignation of Miss Jessie Haldane, School Nurse, was presented and accepted. The Committee takes this opportunity to express to Miss Haldane its appreciation of the efficient services rendered, and for the cooperation, executive ability, sound

judgment and tact always shown, during her connection with the Schools.

On November 8, 1935, Miss Isabel Howe was appointed as School Nurse.

For the school year ending June 30, 1935, the average daily attendance was 535. The Schools were in session 178 days.

The Committee has continued its policy of applying the income from the Horace S. Sears Fund, for the benefit of the teachers, against the rental of the "Teachers' Lodge", and extends its thanks to Mr. Harry L. Bailey for continuing to make its use possible for this purpose.

The Weston Chapter of the American Red Cross and the Board of Health have continued to cooperate with the schools in connection with the services rendered by Miss Haldane and Miss Howe as School and District Nurses. The Committee appreciates this cooperation, and feels that much benefit is derived from this arrangement.

A comparison of figures given in this report, with those given in the 1932 annual report, will show that the average membership in the new High School Building has increased by 57 pupils. This means an increase of more than 25% during the last three years, or since moving into the new building. On account of this increase, and the need for more class rooms, the Committee feels that the time has now arrived when consideration should be given to converting the unfinished space on the ground floor of the New High School Building, into three additional class rooms. We have received an estimate from the architect for doing this work, including fixtures, furniture and equipment, which amounts to \$18,000.00, and we recommend that action be taken on same at the March Town Meeting, understanding that the expense can be spread over a period of six to ten years.

The Committee has received a petition, signed by twenty-five parents, asking that a kindergarten be established in the schools. We have investigated the available room, and the cost of such a move, and find that, on account of

ATTENDANCE STATISTICS, SCHOOL YEAR 1934-1935

GRADE	Total Member- ship	Average Member- ship	Average Attend- ance	Percent of Attend- ance	Pupils Perfect in Attendance
High School	177	166.57	158.34	95.06	Robert Akers, Mary Sullivan, 5 years; Armando Benotti, Clarence Mosher, Alfred Walker, James Jenkins, Robert Monaco, 2 years; Delmo Ferranti, 2 years; Wyman Johnson, William Small, 3 years.
VIII . .	53	49.14	45.80	93.20	Edward Abbott, Ralph Bolton, 2 years; John Henderson, Mary Sullivan, 4 years.
VII . .	59	57.31	54.12	94.43	Delmina Ferranti, 2 years; Charles Stevens.
VI . .	60	56.98	52.57	92.26	David Abbott, Joseph Ferranti, Richard Pinkham, Anna Stevens, Anna White, Thomas Williams, 2 years.

Totals	621	578.20	534.87	92.51	29

being able to eliminate one section of the first grade with the establishment of a kindergarten, that it will add only about \$1,000.00 per year to our budget. The Superintendent of Schools, in his report, gives further details regarding this matter, and reasons why we should give consideration to it. The Committee, therefore, is presenting the matter to the Town, and is asking for \$1,000.00 in their budget for this purpose.

The Committee is also asking for money, in the budget, for the establishment of commercial courses in the High School, provided the money recommended for the three additional rooms is made available.

In accordance with the vote of the Town, at the last Town Meeting, about three acres of land have been acquired from Mr. Robertson, at the corner of Wellesley Street and the By-pass, and added to the school lot. The Committee have had this additional land surveyed, and have had studies for development made by the Emergency Planning and Research Bureau, who were working under an E. R. A. Project, in order that the whole area might be presented for approval as a W. P. A. Project. We are submitting with this report a plan showing how this area can be developed.

The money appropriated for the improvement of the playgrounds was spent for loam, pipe, gravel, etc., and in cooperation with E. R. A. and W. P. A. labor, we graded and seeded an area for a Girls' Hockey Field, laid under-drains in several ditches, deepened the main brook, and cleaned up the dead wood on the land acquired from Mr. Robertson. Men are now working on a W. P. A. Project, and in order to continue the project and get additional W. P. A. funds, it will be necessary for the Town to supply the materials, tools and equipment. With this in mind, we are recommending an appropriation of \$1,500.00 for the present year.

Referring to the plan submitted with this report, we would like to call to your attention the area proposed for skating and Ice Hockey. We would like to see this devel-

oped as rapidly as possible, feeling that there is a great demand for it, and that it would be a very much appreciated addition to the playgrounds.

Details of the work that is being done in the Schools will be found in the reports of the Superintendent of Schools and the Special Teachers.

Respectfully submitted,

ALICE C. BAILEY,
DAVID A. PERRY,
RAYMOND W. COBURN.

SUPERINTENDENT'S REPORT

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

Dear Sir:—I submit herewith my report for the year ending December 31, 1935. Reports from different departments and special teachers are appended.

The school work and the school organization has been carried on in a manner very similar to that of several years past. The work of the teachers and pupils has been up to the usual high standard. The addition of Mr. Redman to the high school faculty as head of the English department has allowed a slight reorganization of other work. This has been of decided value to the school, not only in the field of English, but in other departments as well.

The enrollment in grades I to VIII this year varies from 51 to 61 with the exception of the fourth and fifth grades which have 36 and 41 respectively. Slight increases in the enrollment in these grades would make it necessary to employ another teacher next year.

PROBLEMS

For years there has been agitation among Weston parents concerning the establishment of a kindergarten, and the addition of commercial courses to the high school curriculum. I believe that it is now time to consider seriously both of these proposals.

We now admit children to school at the age of 5 years, which is *too young for standard first grade work*. Most towns and cities do not admit children to Grade I until they are 5 years and 6 months, or 5 years 8 months, and some do not admit them until they are 6 years old. If we established a kindergarten I would recommend that we admit children at 4 years 6 months of age, and admit no one to the first grade until the age of 5 years 6 months. (This is the common practice in places where there are kindergartens.) This would reduce the number of teachers required in the first grade from two to one, but would perhaps require two teachers for the kindergarten, thus making it probable that one additional teacher would be required. A satisfactory room can be provided on the ground floor of the primary building by making some alterations and repairs. The total cost to establish a kindergarten next September would be not over \$950, divided as follows: repairs to building \$200, equipment of tables, chairs, and supplies \$250, and teacher's salary \$500. The annual expense after 1936 would be the salary of one teacher and possibly \$100 worth of supplies. This assumes no additional transportation expense.

If a commercial department was put into the high school it would fulfill a need which has been felt for a long time. Typewriting and stenography are branches of commercial work which have a very prac-

tical value to pupils whether going to college or seeking jobs. Many pupils would be more successful in commercial courses than in foreign language and mathematics which they now are obliged to take. The equipment for commercial purposes would cost \$1000 to \$1200 more than equipment for ordinary class rooms. One more teacher would have to be provided on the high school faculty.

The enrollment this year in grades VI, VII and VIII is 177 pupils almost equally distributed in the three grades. Some of these pupils will doubtless transfer to private school, but a conservative estimate would indicate a growth in the high school from the present enrollment of 170 to 200 during the next three years. This condition indicates the need for more class rooms.

COLLEGE ENTRANCE

Eleven graduates of the High School last fall entered the following colleges: Antioch College, Bates College, Boston College, Boston University, Massachusetts State Teachers' College at Framingham, Harvard, Middlebury and Wellesley.

Several members of last year's class entered schools of higher grade but offering less than the standard four years of college work. Two of the class took examinations for admission to Harvard and passed successfully but decided to spend a year in preparatory school before college. These boys are attending Phillips Academy at Exeter this year. Some of the above pupils entered college by certificate, some by examinations and some by a combination of both methods. Every pupil who applied for college admission last year was successful. This is too high a record to expect any high school to maintain permanently.

SCHOLARSHIPS AND PRIZES

During the past year scholarships and prizes have been awarded as follows:

The Charles J. Paine scholarship was not awarded this year as there was no one who wished to enter the Massachusetts Institute of Technology.

The Horace S. Sears Scholarship was awarded in seven portions as follows:

GUY AKERS, JR. at Northeastern University.

ROBERT AKERS at Bates College.

EDWARD BASSETT at New England Conservatory of Music.

EDWARD HARDING at Northeastern University.

RICHARD HENDERSON at Massachusetts Institute of Technology.

WILLIAM HOPE at Massachusetts Institute of Technology.

EARLE MACLEOD at Massachusetts Institute of Technology.

The Women's Community League scholarship was awarded to Edith Taunton who entered Wellesley College.

Bates College awarded a scholarship covering full tuition to Donald Curtis.

Prizes from the Horace S. Sears Fund were awarded as follows:

1. For Essays on "Social Insurance".

First prize, EDITH TAUNTON

Second prize, ELLEN RHOADES

Third prizes, VIRGINIA ORDE

RICHARD LEWIS

PHILIP MORIN

2. Prizes to seniors for Good School Citizenship:

Girl: PHYLLIS TWOMBLY

Boy: WALTER JENKINS

Prize for the best examination on the United States Constitution was awarded by the Weston Post of the American Legion to Donald Curtis.

I am submitting with this report the statistics of the school census of last October, the attendance statistics for the year 1934-1935, the programs of the School Play, An Evening with Shakespeare and Music, and the Graduation Exercises of the Class of 1935.

Once more I wish to record my appreciation for the co-operation and support received from the School Committee, parents and teachers.

Sincerely yours,

CARL T. RHOADES.

GRADUATION EXERCISES OF THE

CLASS OF 1935

WESTON HIGH SCHOOL

IN THE TOWN HOUSE, FRIDAY, JUNE FOURTEENTH, AT TWO-THIRTY O'CLOCK

ORDER OF EXERCISES

MARCH: Pomp and Circumstance *Elgar*
ORCHESTRA

INVOCATION: Reverend Miles Hanson, Jr.

SALUTATORY: Facing the Political Situation
DONALD CURTIS

MUSIC:

- (a) The Heavens Resound *Beethoven*
(b) Dear Land of Home—from "Finlandia" *Sibelius*

CROSBY E. REDMAN.

TO THE SCHOOL COMMITTEE, WESTON, MASS.:

We have had, I think, a most successful year in all branches of Music throughout the school. The vocal work is especially good in all grades.

Our little Rhythm Bands in first and second grades as usual enjoy their work.

On May 30, the Junior High School sang well, several numbers at the Town House Memorial Day exercises. Their Cantata, given in June at the School Hall, was more difficult than usual and pupils worked hard before its presentation.

The High School Glee Club sang excellently several numbers of Shakespeare's time in "An Evening with Shakespeare and Music," in April at the Town House.

Senior and Junior orchestras are working along well. Twelve members of Senior orchestra graduating in 1935 class, leaves us minus certain instruments needed for full volume.

There are two High School classes in Theory and Harmony, first and third years.

The senior Orchestra played between acts at the February play, also at the Town House concert on April 12, very creditably.

On Christmas Eve, at the outdoor tree, a Cantata was sung by the Glee Club, after which six trumpets, two being graduates, played carols for the unison of song.

Piano classes of about twenty pupils from second and third grades have been started.

We have students who graduated from Weston, singing in Glee Clubs and playing in bands and orchestras at Harvard, Wellesley, Middlebury and Dartmouth.

So far our Music Appreciation time which is a part of music courses in most schools has not been attained.

We need urgently a new piano for the school hall, as the present one is well worn out.

As always, I have had the cheerful co-operation of the teaching staff.

Respectfully submitted,

WILLIAM H. TAUNTON,
Music Supervisor.

REPORT OF THE INSTRUCTOR OF MANUAL TRAINING

TO THE COMMITTEE:—

I am sometimes approached by a pupil who says "I have spoiled that piece of work. Can't I make something else instead?"

Everything from the Pyramids to Boulder Dam has presented difficul-

ties to be surmounted and the worst thing that can happen to the boy's character would be to grant this request.

These appeals are made very few times during the year, but if the boy should be allowed to take the "easier way" there is danger that the practice would spread to an unhealthy extent.

Many a boy has expressed his gratification that he overcame the obstacle and came out conqueror; a natural and desirable feeling.

The classes in Manual Training promise well and seem to realize what a priceless thing trained hands are.

The pupils in the Mechanical Drawing classes sometimes feel that the exhibit of their work on Parent's Day draws little attention and that it is not appreciated.

The general public is attracted more by the drawing of the careless beauty in the arrangement of the petals of the daisy than by the precise construction of the teeth of a gear. But a gear constructed with the same variety of teeth as the daisy's petals would never work and the daisy drawn with the accurate measurements of the gear would present a stiff and ugly appearance.

Each has its place in the scheme of things.

The boys, I am sure, get a strong sense of pride in the knowledge that this branch of mathematics is the foundation of all construction and an industry not based on it is one of guess-work and faces consequent disappointment and loss.

The great majority of the class are most appreciative of their opportunity.

PHILIP E. PERRY,
Instructor.

REPORT OF THE DEPARTMENT OF PHYSICAL EDUCATION—GIRLS

Weston, January 23, 1936.

TO THE SCHOOL COMMITTEE:

I should like my first statement to be an expression of thanks to the School Committee for obtaining the apparatus that has been so much needed. The stall bars and hanging rings in the Girl's gym and the ropes and high low bar in the boy's gym have proved most popular among the students and have been used extensively and beneficially in the posture work. An exchange of gyms has enabled the girls to use the boy's equipment and vice versa.

We have not been able to allow the students to use the apparatus without supervision because of the floor, and this brings me to the greatest need of the department—a wooden floor. The present one is a

composition tile on a cement foundation allowing no spring whatever. This is most unprofessional and constitutes a real danger, inducing back and foot strain and increasing the danger in falling. Students playing basketball, tumbling and activities that require jump and spring suffer the most.

Posture pictures with foot and back examinations have resulted in an intensive posture schedule conducted in all classes, with the more serious cases having additional work in special corrective classes. It was surprising to learn the large number of girls and younger boys (I do not examine the older boys) who showed a poor foot condition. That is—pronated ankles, lowered or weakened arches and poor mechanical use of the foot. That the posture work is effective was proved by the pictures of the Senior girls. Out of 21 students there were 16 "A's"; 5 "B's"; and 1 "C". This picture proves their ability to take, and their knowledge of a good standing position. However, it does not prove that they sit, stand, walk and run in a good position. That can be accomplished only if the student wants to do it herself. This can be fostered to a great extent by pressure from the teachers and *by the parents at home*.

We look forward with great eagerness to the use of the new hockey field. The Fall program showed an enthusiastic after school attendance, and we were able to have several outside games.

Basketball loses its adherents during the skating season. As Mr. Proctor stated in his report last year, we need ice skating facilities. There is a great demand for it among the girls as well as the boys. To be able to keep the students out of doors in good weather would be an ideal Physical Education program.

Respectfully submitted,

MARJORIE D. MORSE, Jr.

BOYS' PHYSICAL EDUCATION AND ATHLETICS

TO THE SCHOOL COMMITTEE:—

The year ending December 31, 1935 brought to a close a very enjoyable season both for myself and the boys in the Weston High School. The physical education classes were conducted as much as possible upon the recreational line, with a thorough background in fundamentals and sportsmanship.

Last spring Weston High School became a member of the newly formed Sudbury Valley Baseball League, which I hope will stimulate as great an interest in baseball as we at present have in football. Intramural and inter-class baseball games were conducted in addition to our regular varsity baseball schedule and physical education classes.

In the fall, one-half the total number of boys in the High School reported for varsity football, and we were able to fully equip this number throughout the entire season. Although our football equipment is not entirely adequate, we are adding to it year by year, and within the next two or three years I hope that we will be able to give our boys the maximum of protection.

The football season was a very successful one, with Weston winning six games, losing one and tying one, scoring a total of 75 points against 2 for the opponents.

During the fall, all boys' personal equipment was numbered, this having a two-fold purpose, first from the sanitary standpoint to prevent boys from wearing equipment other than their own, and secondly, all gym suits that are not properly put away may be returned to their rightful owners. Shelves have been installed in the storage room, where all cleansed and re-conditioned athletic equipment may be stored and properly labelled.

The posture work has shown remarkable results, as can be seen through the improvements in our Silhouettegraphs, especially in the High School group. However, there are about the same number of boys who will need posture correction as there were last year. The majority of these are in the Grammar School and Junior High School.

The stall bars, hanging rings, ropes and high bar that were installed in the gymnasium last year have increased interest both in the posture and physical education classes.

I should like to suggest that next year we provide bus transportation for our varsity teams, as the present method of traveling in private cars is not entirely satisfactory. As our revenue from gate receipts is not sufficient to take care of this added burden, I believe the cost should be taken from some source other than the athletic fund.

The baseball infield should be entirely re-surfaced, for in the past season we were continually handicapped by large stones that were gradually rising to the surface. The present wooden stands are of very little value, as they are too far removed from the baseball diamond, and being in a position behind the batter, the spectators are endangered by foul balls. I suggest that we purchase portable stands that could be used both for baseball and football.

Respectfully submitted,

JOHN S. PROCTOR.

REPORT OF THE ART TEACHER

TO THE SCHOOL COMMITTEE:—

The Art classes throughout the entire school are following definite outlines. This includes nature study in the fall, construction, figure

study, lettering and color study in the winter, and design, posters and creative work in the spring. The program is followed from the first grade through the eighth. The pupils in the intermediate and upper grades show a great improvement and I wish to thank the teachers for their willingness to help and co-operate.

Because of the two uninterrupted spaces in the High School program, the pupils have been able to accomplish a great deal more and I am very pleased with their work.

GUDRUN GUSTAFSON PAYNE.

TO THE SCHOOL COMMITTEE:—

The first aim of the School Lunch Room is to serve all pupils who desire it, a hot lunch at noon. This may be chosen from a main hot dish, such as pot roast and potato, a vegetable, soup or cocoa. We also serve milk, sandwiches and desserts or ice cream, fruit and cookies.

This year, in an effort to encourage children to choose more wholesome food, we have cut down the number and kinds of cookies and ice cream sold.

To cover the increase in food prices without diminishing the quality of food sold we have raised some of our prices one or two cents and cut down on the quantity of some servings.

This year we are paying our High School helpers 15c a day rather than allowing them their luncheon free. We feel this to be more accurate, business like and fairer to those pupils who may have brought their luncheon from home not expecting to be called on to serve.

On December 31, our books showed \$71.81 in unpaid bills, but an inventory on the same date indicated that we had \$120.90 worth of materials on hand; thus making a surplus of \$49.09.

ELIZABETH P. COBB,

Manager.

REPORT OF THE SCHOOL PHYSICIAN

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The routine physical examinations, the administration of toxoid and toxin-antitoxin, and the Schick testing were carried out as in previous years. Early in the school year a skin tuberculin test was given those pupils of the seventh, ninth and eleventh grades whose parents so requested.

F. VAN NUYS, M. D.

REPORT OF THE SCHOOL NURSE

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

Miss Haldane carried on the routine of previous years as usual, and through concentration she was able to accomplish almost all of the necessary year's work by November, at which time she left Weston to assume the responsibility of a higher position.

During March and April of this year there was an epidemic of German Measles prevalent in the public and private schools as well as in the homes. This epidemic seemed to be a section of one that was raging throughout New England.

Again in May, the follow-up work of the Chadwick Clinic was continued by means of Xraying the 11 school children who are followed each year. These reports supplemented by thorough physical examinations showed that all but one of the children had improved. This child's condition, however, had not changed and the only suggestion was a re-examination the next year.

Miss Haldane took two courses (The Principles of Public Health Nursing; Public Health Nursing in the Schools) at Simmons College during the summer. These courses were both interesting and instructive, and she felt that they would be of great benefit to her.

Early in the summer the Pre-School Round Up was carried on as usual, while shortly after school opened in September the children were given their annual physical, dental, eye and ear examinations. Notices of the defects found were taken to the parents by the nurse.

Twenty-one school children and 1 pre-school child had their tonsils and adenoids removed.

Nine children were fitted with glasses.

Twelve children had other defects corrected or were under a physician's care.

There were 401 dental operations. The decrease in number from last year is undoubtedly because of the fact that due to past difficulties we have found it necessary for the child to bring his fee when he comes to the dentist.

The Von Pirquet Test (for tuberculosis) was offered to the 142 children enrolled in the 7th, 9th and 11th grades, and 95 tests were done—33 positive results were obtained and Xrays of these children promptly taken. The Diphtheria Immunization Clinics were also held and 59 children (27 of them pre-schools) given toxoid or toxin-antitoxin injections. Of the 86 children re-Schicked this year, 82 were immune.

Respectfully submitted,

ISOBEL HOWE.

REPORT OF THE SWIMMING POOL COMMITTEE

TO THE BOARD OF SELECTMEN:

Conditions at the Swimming Pool this last season have been very similar to those of preceding years.

We were glad to have Mr. William Hope, Jr., who is a member of the M. I. T. Swimming Team and a citizen of this town, as our Red Cross Instructor and Examiner.

Replacements and repairs due to wear and tear have been much as usual.

At the request of the children an Exhibition was held at the end of the season. This had not been expected, but arrangements were hurriedly made. As the weather happened to be extremely disagreeable the exhibition was not as pleasant an event as the young people had anticipated.

In Mr. Hope's report he mentions that the attendance for the season was over 4000. The pool was open 50 days. The average is, therefore, over 80 per day. On chilly days this number dropped, and on hot days—the time when the pool should be of greatest value—the number frequently went well over 100 for the day, and 60 was not unusual for a single session.

Many of our citizens do not know, or have forgotten how small our tank is. Visitors are always welcome, and the committee urges parents and other citizens to visit the pool. Girls and women may come on the days set aside for their use, and men and boys on their respective days.

The more frequent change of water and the scientific use of a proper germicide have made the tank a healthier place than it was many years ago, but it is no longer so enjoyable a place for children on a hot day. There is not room enough.

When anything is outgrown and inadequate there are two remedies: either we can discard that thing and get a new one, or the old one may be enlarged. In this case there

is no remedy without considerable expense, but we believe it is justified.

The children who use the tank are mostly from families that do not leave Weston in the summer for any great length of time. These children need a swimming place. Also people who work should have a place near home where a short time could be spent in that most relaxing and restful of exercises.

Weston is indeed unfortunate in not having any natural location available for such use, and with great regret we see the children of Weston underprivileged in that respect.

We hope that the citizens of Weston will acquaint themselves with conditions elsewhere and compare what our town offers with what is found in neighboring towns.

At the Special Town Meeting called in January 1931 the gentleman who was at that time chairman of your Swimming Pool Committee moved an appropriation sufficient to construct a new pool in connection with the proposed new High School building. His motion was not adopted, but his proposal, or something similar, should be given careful consideration.

We ask for an appropriation of \$1,000.

Mr. Hope's report follows.

EUNICE BASSETT
DAVID A. PERRY,
CARL T. RHOADES,
Swimming Pool Committee.

September 9, 1935.

TO THE SWIMMING POOL COMMITTEE,
TOWN OF WESTON, MASSACHUSETTS:

The swimming pool opened in the last week in June and remained in use for a period of ten weeks. During this time, the attendance was over four thousand.

I would like to suggest that the tall trees which surround the pool be cut down because the branches overhang the pool and cause many leaves and twigs to fall in it.

The following is the complete list of those who passed the Red Cross Tests:

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board of Public Welfare submits the following report for the year ending December 31st, 1935:

The Board organized January 1st with Henry A. Wheeler as chairman, Mrs. Margaret B. Warren as visitor and Ralph F. Slayton as clerk. At the annual town election in March, the Rev. Stephen Webster was elected to serve on the Board for a period of three years, thereby filling the vacancy made by the retirement of Mr. Wheeler at the expiration of his term. The Board then reorganized with Ralph F. Slayton as chairman. On April 5th Mr. Wheeler accepted an appointment by the Board to serve as consultant.

EXPENDITURES

Appropriation for administration	\$400.00
Transferred from reserve fund	329.35
	<hr/>
Expended for administration	\$729.35
Appropriation for Dependent Aid	
Mothers Aid and Old Age Assistance	\$6,500.00
Expended	6,335.23
	<hr/>
Returned to treasury	\$ 164.77
Reimbursements	1,843.77
	<hr/>
Total amount returned to treasury	\$2,008.54

The expenditure of \$6,300 is classified thus: \$2,200 paid to other towns and cities for their relief of eleven families whose legal settlement is in Weston; \$4100 paid out in behalf of thirty eight families actually residing in Weston. Of these thirty eight families, eighteen have legal settlements elsewhere or are unsettled. On account of the

aid rendered these eighteen families, we have claimed and have been reimbursed by other towns, cities, the State and individuals to the amount of \$1,843.77. Outstanding claims unpaid December 31st \$723.07.

From the foregoing it may be deducted that the cost to the town of all forms of aid and relief for the year 1935 has been \$4,491.47. It may also be seen that conditions in other communities have a very direct bearing on the amount of Weston money to be used for relief purposes.

We recommend appropriations of \$750 for administration and \$6,500 for Dependent Aid, Mothers' Aid and Old Age Assistance for the year 1936.

MARGARET B. WARREN,
STEPHEN WEBSTER,
RALPH F. SLAYTON,

REPORT OF THE INSPECTOR OF ANIMALS

TO THE BOARD OF SELECTMEN:

I report as follows to inspection of animals and barns in the Town of Weston from January 1, 1935 to January 1, 1936:

Barns inspected	43
Grade cows	389
Pure bred cows	48
Grade young cattle	13
Pure bred young cattle	12
Grade young bulls	13
Pure bred bulls	3
Swine	735
Goats	3
Dogs quarantined	76

Respectfully submitted,

EDWARD JENNINGS,
Inspector of Animals.

REPORT OF THE BOARD OF ASSESSORS

REPORT OF THE BOARD OF HEALTH

The Board submits the following report for the year 1935.

I

MEMBERS AND OFFICERS

The Board organized as follows:

Dr. F. Van Nuys, *Chairman*
 Mr. W. C. Reed, *Secretary*
 Mr. F. H. Allison

The Board appointed the following officers:

C. M. Hilliard, Supervisor of Health and Milk Inspector
 A. J. Colpitts, Sanitary Inspector
 B. H. Dickson, Jr., Special agent to issue burial permits
 Miss Jessie Haldane, Public Health Nurse
 Dr. T. A. Doyle, Inspector of slaughtering
 Dr. Gerald Wilson, School dental physician
 Miss Isabel Howe, Public Health Nurse (beginning Nov. 12)

II

Licenses Granted by the Board During the Year.

To sell Milk and Cream:

B. S. Blake	Frank Houghton
L. F. Bunker (Fairhaven Dairy)	(Twin Maple Farm)
Chas. Cahill (Cedar Hill Farm)	Hillside Dairy
John H. Clark	H. P. Hood & Sons
D. L. Comiskey (Valley Farm)	Lyndonville Creamery Assoc.
L. W. Dean (Dean Dairy)	Somerset Farms Creamery Co.
Deerfoot Farms Co.	Whiting Milk Co.
Ralph Donald (Well. Farms Dairy)	C. L. Woodland (Woodland Dairy)
C. M. Foote	A. T. Waugh (Ferndale Dairy)
Gladys Herman (Woodridge Farm)	

In addition to the above, two stores were granted licenses to sell milk and cream.

To Operate Pasteurizing Establishments:

Cedar Hill Farm	Albert Waugh
John H. Clark	C. M. Foote
Ralph Donald	Frank McQuarrie

To sell oleomargarine	3
To collect wastes	1
To transport garbage	1

WESTON BOARD OF HEALTH

F. VAN NUYS, M. D., *Chairman*

W. C. REED, *Secretary*

F. H. ALLISON

REPORT OF THE SUPERVISOR OF HEALTH

TO THE WESTON BOARD OF HEALTH:

Gentlemen:—I herewith submit my report as Supervisor of Health acting under your direction, for the year 1935.

General

The Board of Health held eleven regular meetings and one special meeting during the year.

The problem of drainage for the central part of the Town remains unsolved. A study of the question is being made under the direction of the Board of Selectmen, and it is hoped that some satisfactory solution may be reached in the near future.

There has been no unusual prevalence of communicable disease in the community during 1935 excepting in the case of German measles and whooping cough. The excessive prevalence of the former disease has, however, raised the total reported cases to a figure not exceeded during any other year since 1918.

The Board of Health wishes to record its appreciation of the splendid services rendered by Miss Jessie Haldane during her six years as public health nurse for the Town of Weston. She improved, and extended the community nursing program, and placed it on a high level for a community of the size of Weston. We regret her going, but rejoice in the larger opportunity of her new position.

Diseases Dangerous to the Public Health

Two hundred and one cases of communicable diseases have been reported for 1935. Just over one half of these

were cases of German measles, a disease that was prevalent throughout the State during last spring. This disease is practically never serious, nor is it followed by complications. Whooping cough and animal bites made up one half of the remaining reported cases of disease. The occurrence of animal bites has increased each year since reporting became necessary. We believe this is explained by better reporting rather than by any actual increase in the number of animals inflicting bites.

There were no cases of diphtheria, infantile paralysis, scarlet fever, typhoid fever or tuberculosis reported. The Town of Weston was fortunate to be spared from infantile paralysis which showed the highest pervalence in Greater Boston for many years. It is also fortunate to have had no new cases of active tuberculosis.

Diphtheria

It has already been noted that the record for diphtheria was perfect. It cannot be questioned that the absence of diphtheria in the Town is due to the immunization of children in the school clinics as well as to the more commendable practice of having children immunized privately before the school age. The table gives a summary of the work done in the school clinics during the past year.

It will be noted that an increasing proportion of children of the pre-school age group are being immunized at this clinic. This is due to the excellent work of the public health nurse in educating mothers, who could not afford to have their children done privately, to the desirability of having their children protected early in life when the disease is most fatal.

A preparation known as toxoid, provided by the State laboratory, was used for the first time this year in place of toxin-antitoxin. Toxoid has certain advantages over toxin-antitoxin, especially in that immunity develops more rapidly than with the latter preparation.

DIPHTHERIA IMMUNIZATION AND SCHICK TESTS

Age in Years	Number of children receiving Toxin-Antitoxin Injections	Schick Test After Toxin-Antitoxin		Schick Test Before Toxin-Antitoxin	
		No. Pos.	No. Neg.	No. Pos.	No. Neg.

15-19	2	—	9	1	—
Total	59	1	81	2	—

Tuberculosis

Two deaths from tuberculosis occurred during the year. Incidentally, these were the only two deaths charged to infectious and parasitic diseases. No new cases of tuberculosis were reported.

The tuberculosis clinics in the schools were operated by the Middlesex County Sanatorium physicians in co-operation with the School Department and the Board of Health, the State Department of Public Health having withdrawn from this service. As recommended by the State Department of Public Health following their ten years of experience, the examinations were confined to children in the seventh, ninth and eleventh grades with the option however, of bringing in children of other grades who for one reason or another should be tested. About two-thirds of the children in these grades were allowed to be tested by their parents. Only two of this number were found to need further observation.

The table below gives the details of the clinic.

School Tuberculosis Clinic

School population, Grades 7-9-11 (inc. 2 children in other grades)	141
Children Tuberculin tested	95
% Tested	67.4
Children Reacting to the Test	33
% Reacting to the Test	34.7
Children X-rayed	33

Result of Physical Examinations:

Number of children examined	2
Observation cases	2

OTHER COMMUNICABLE DISEASES

Comment has already been made on the low incidence of all communicable diseases excepting German measles and whooping cough. The former never gives the Board of Health any great concern.

The occurrence of whooping cough was explosive, but entirely disappeared within three months.

Six cases of influenza were reported in January, but these cases were concentrated in two families and no spread occurred.

Laboratory

The chief bulk of the laboratory work consists of the routine monthly testing of the different grades of milk sold by all dealers in the Town. All told, two hundred seventy samples were analyzed during the year. The public water supply was tested from time to time and found to be uniformly very satisfactory. The swimming pool water and an occasional sample of private water supplies were also tested.

The table below shows the results of examinations of specimens submitted by physicians as an aid to diagnosis.

Laboratory Analysis

	Pos.	Neg.	Susp.	Total
Diphtheria Cultures	—	9	1	10
Tuberculosis (Sputum)	—	9	—	9
Gonorrhea	—	4	1	5
Vincent's Angina	—	3	—	3
Streptococci	3	—	—	3
Total				30

Milk

An examination of Table No. III gives a summary of laboratory analysis of milk sold in Weston. Although occasional samples have shown bacteria in excess of the legal standard, on the whole the milks have been of a very satisfactory nature from the standpoint of their chemical composition as well as sanitary condition. Dairy inspections have been done from time to time, particularly when the laboratory tests indicate the need for inspection.

Complaints

Complaints have been fewer than usual, but in every instance have been investigated and proper action taken.

The drainage in Weston Center, already referred to, has received special study not only by the Board of Health, but by engineers engaged privately by the Town.

Deaths

Exactly twice as many deaths of residents of Weston occurred during the year 1935 as were reported for the previous year. However, an examination of Tables IV and V

show that only eight out of the reported forty deaths occurred in persons under the age of forty.

The record of deaths due to infectious diseases, which are the ones over which public health work exercises the chief control, were responsible for only five percent of the deaths, namely, the two deaths from tuberculosis already noted.

Births

Forty-one live births and one stillbirth were reported for 1935, giving a rate of 12.0. There were nine more births than last year, but the same number as in 1933.

Respectfully submitted,

C. M. HILLIARD, *Supervisor.*

REPORT OF THE PLUMBING INSPECTOR

BOARD OF HEALTH,
WESTON, MASS.

Gentlemen:

I herewith respectfully submit to you for your approval, my report as Plumbing Inspector for the year of 1935.

There were 46 permits issued for Plumbing work. These included new and old buildings and alteration work. Of these 20 were for new buildings and 26 were for alterations and old buildings.

The sum of \$76.00 was received for permits and the money paid to the Town Treasurer.

Respectfully submitted,

ABEL J. COLPITTS,

Plumbing Inspector.

REPORT OF THE BOARD OF WATER COMMISSIONERS

Several extensions of mains have been completed as follows, including those started during 1934:

- 1st. Summer Street—1100 feet of 10" pipe.
- 2nd. Cedar Road (Weston Real Estate Trust) 203 feet of 6" pipe.
- 3rd. Featherbed Alley and Nightcap Lane (Weston Real Estate Trust) 724 feet of 6" pipe.

All of these installations were undertaken after the prescribed guarantees were obtained. A considerable part of these additions are of benefit in providing service to a greater number of consumers and in an improvement of the system in relation to its future development also to some extent the supply through Meadowbrook Road has been reinforced thereby.

Eleven services and three hydrants have been added.

It will be necessary to repaint the Doublet Hill Stand-pipe this year and the present severe weather may make repairs necessary on the reservoir on Paine Hill, therefore we are asking for the same appropriation as last year, namely \$24,000.

EDWARD P. RIPLEY,
ARCHIBALD G. MONKS,
ABEL J. COLPITTS, •

Board of Water Commissioners.

REPORT OF THE CEMETERY COMMISSION FOR 1935

Interments	40
Residents	25
Non-Residents	15
Receipts	
Care of lots	\$ 300.00
Interments	685.00
Foundations	123.50
Sale of flowers	15.50
Sale of wood	48.00
Sale of field stone	3.75
Interest on Perpetual Care Fund	1,500.60
Interest on Edward B. Field P. C. Fund	17.32
Interest on Alpheus Cutter P. C. Fund	7.32
Interest on Alpheus Cutter P. C. Fund	7.32
Interest on sale of lots Fund	320.80
Sale of lots	595.00
Perpetual Care	2,040.00
	<hr/>
	\$5,664.61.

Certain cash receipts that we have been using for maintenance in the past must now be put into the Town Treasury. It necessitates our asking for an additional amount on our appropriation. This is not putting the Town to any greater expense on our department as it is only a matter of book-keeping.

We request an appropriation of \$6,700.00 for 1936 for our usual work.

We anticipate a W. P. A. project to lay 1200 feet of water main from the Old Post Road along Linwood Avenue. This pipe is needed for the maintenance of the cemetery and if it is installed in this way the Town pays only for the material which amounts to \$1,200.00.

Respectfully submitted,

PHILIP R. SPAULDING,
HAROLD B. WILLIS,
J. LAWSON FOOTE,
Cemetery Commissioners.

REPORT OF THE AUDITOR

The Auditor submits the following report of the receipts and expenditures of the Town for the year ending December 31, 1935.

He has audited the books of the Treasurer and Collector, and finds all moneys in the latter's charge properly accounted for.

GEORGE W. CUTTING, JR.,
Library Treasurer.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

TO THE BOARD OF SELECTMEN OF THE TOWN OF WESTON:

Gentlemen:

The Trustees of the Public Library submit the following report for the year 1935:

The Library has continued its course of service to the townspeople. The competent staff of the Library has in the past year met a steadily increasing need and call for books by its patrons.

Although statistics are usually to be found only in the Librarian's report, it seems desirable here to call attention to the circulation figures of a series of years up to and including 1935 (alternate years only being given for brevity) which show the increased use made of the Library during the last ten years.

Issuance of books was as follows:

1925	24,009
1927	23,919
1929	24,960
1931	33,405
1933	38,349
1935	37,785

A considerable part of this increase is due to the development of the children's department, and is for that reason especially gratifying.

The general policy of the Library in regard to the relative importance of, and money to be spent upon, books of information, reference, history, science, and the like, and books of current fiction has been carefully considered by the Trustees; and the course which has been followed

seems to them correct and the one most likely to serve the townspeople as a whole.

The building and appurtenances of the Library have been carefully maintained throughout the year in the best possible condition.

For the coming year the trustees recommend an appropriation by the Town of \$5000 for general expenses.

Very respectfully,

CHARLES M. EATON,

LOUISA W. CASE,

G. M. PALMER, JR.,

Library Trustees.

REPORT OF THE LIBRARIAN OF THE PUBLIC LIBRARY

The Librarian submits the following report for the year ending December 31, 1935:—

Number of books purchased	1,243
Number of books presented	6
Number of magazines bound	19
Number of books rebound	417
Number of volumes in the Library	30,110

Circulation:—

Number of days Library was open	302
Largest number of books issued	232
Smallest number of books issued	26
Books issued, non-fiction	8,516
Books issued, fiction	18,800
Books issued, juvenile	10,469
	37,785

Library hours: 2 to 9 P. M., Monday, Wednesday, Friday and Saturday; 2 to 5.30 P. M., Tuesday and Thursday. Closed Sundays and legal holidays.

Books and pamphlets have been received during the year from—

Boston Children's Friend Society, Boston Public Library, Brookline Public Library, Carnegie Hero Fund, Concord Free Public Library, Lancaster Town Library, Lincoln Town Library, Malden Public Library, Massachusetts Agricultural College, Massachusetts Department of Education, Division of Public Libraries, Newton Free Library, New York Public Library, Secretary of the Commonwealth, Waltham Public Library, Mr Thomas D. Cabot, Miss Marian R. Case, Mrs. Samuel W. Mead, Mrs. Arthur Morse, Mr. William G. Renwick, Mr. Henry D. Warren.

Arthur C. Jones

Richard P. Burgess

Yours truly,

HERBERT E. TYLER,

Chairman, Board of Selectmen.

Received and recorded, March 20, 1935.

BRENTON H. DICKSON, JR.,

Town Clerk.

Town Warrant

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETINGS:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said

town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 25th day of March, 1935, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock, P. M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 P. M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

- A moderator for a term of one year,
- A town clerk for a term of three years,
- One selectman for a term of three years,
- One member of the board of public welfare for a term of three years,
- One assessor for a term of three years,
- One member of the school committee for a term of three years,
- A treasurer and collector for a term of one year,
- An auditor for a term of one year,
- One library trustee for a term of three years,
- A library treasurer for a term of one year,
- One trustee of the Merriam Fund for the Silent Poor for a term of three years,
- One park commissioner for a term of three years,
- One cemetery commissioner for a term of three years,
- One member of the board of health for a term of three years,
- Three measurers of lumber for one year,
- One member of the board of commissioners of trust funds for a term of three years,
- One member of the board of water commissioners for a term of three years,
- Five members of the planning board,
- A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$11,975.19 or such other sum as the town may deem proper in the premises.

ARTICLE 4. To determine whether the town will vote to increase the compensation of any town officers and employees or to act anything relative thereto.

ARTICLE 5. To determine whether the town, pursuant to its contract of indemnity with the Commonwealth of December 11, 1930, will authorize the selectmen in their absolute discretion to settle and pay any and all remaining claims, awards and judgments for land, grade and drainage damages arising from the alteration and reconstruction of the Boston Post Road from Sibley Road to Wellesley Street and the layout and construction of the By-pass, so called, and takings of land in connection therewith, by the Commonwealth in 1931, and to defray any and all incidental expenses; and to determine whether the town will authorize the selectmen to expend for such purposes the unexpended balance of sums previously appropriated in the budgets under the item "Boston Post Road" in the title "Highways and Bridges" and also such sum as may be appropriated at this meeting under that item of the current budget.

ARTICLE 6. To determine whether the town will authorize the making of a contract between it and Zada J. Robertson whereby, in substance, the town will covenant with her and her successors in title to maintain at approximately its present elevation the water level in a pond located on her land near the intersection of the Boston Post Road and Wellesley Street, in consideration of her releasing the town from the award made and all claims in connection with the taking of certain rights for drainage pur-

poses in her land by the town in 1931 and of her conveying to the town certain further rights in her land and her title to certain pumping machinery for the purpose of enabling the town to perform its covenant; and to determine whether the town will authorize the acceptance of such conveyance.

ARTICLE 7. To determine whether the town will rescind or amend the votes under article 4 of the warrant at the town meeting on March 21, 1932; to determine whether the town will authorize the purchase in fee, for the purposes of the public schools, of approximately three acres of land of Zada J. Robertson at the corner of Wellesley Street and the By-pass, so called, and adjacent to the present school site; and to determine whether the town, for such purchase, will appropriate a sum not exceeding \$2,000 and will also authorize the expenditure of the unexpended balance (\$305) of the appropriation made under article 4 of the warrant at the town meeting on March 30, 1931.

ARTICLE 8. To determine whether the town will adopt the following by-law or any modification thereof for the purpose of regulating billboards, signs, or other advertising devices:

No person, firm, association or corporation shall erect, display, or maintain a billboard, sign, or other outdoor advertising device in the Town of Weston, except those exempted by the last paragraph of (h) and the fourth paragraph of (i) of this by-law:

- (a) Within fifty (50) feet of any public way.
- (b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same.
- (c) Nearer than fifty (50) feet to any other such billboard, sign, or other advertising device, unless such billboards, signs, or other advertising devices are placed back to back.

- (d) On any location at the corner of any public ways and within a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect.
- (e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet.
- (f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet.
- (g) In any event, if such billboard, sign, or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Board of Selectmen may permit the erection of billboards, signs, or other advertising devices which do not exceed forty (40) feet in length and fifteen (15) feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.
- (h) No billboard, sign, or other advertising device shall be erected, displayed, or maintained in any block in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if written consent of the owners of a majority of the residential and vacant frontage on both sides of the street in such block is first obtained and is filed with the Board of Selectmen together with the application for a permit for such billboard, sign, or other advertising device.

Provided, however, that the foregoing provisions (a) to (h), both inclusive, shall not apply to districts which may be zoned as of industrial character.

- (i) No billboard, sign or other advertising device shall be erected, displayed, or maintained until a permit therefore has been issued by the Board of Selectmen, pursuant to the following provisions.

An applicant for a permit to erect a billboard, sign or other advertising device shall file with the Board of Selectmen a written application therefor, together with a sketch showing the exact location and the written consent of the owner of the property upon which such billboard, sign, or other advertising device is proposed to be erected, displayed, or maintained, accompanied by an examination fee of \$2. Upon receipt of the foregoing, the Board of Selectmen shall hold a public hearing on said application, notice of which shall be given by posting the same in three or more public places in Weston at least one week before the date of such hearing, and upon the holding of such hearing, the Board of Selectmen shall within ten days thereafter grant or refuse such permit.

All permits granted under this Section shall expire June 30 of the calendar year following the date of the application. Application for the renewal of the permit granted under this Section shall be made not later than thirty days prior to the expiration of such permit and shall be accompanied by a fee of \$2. to be known as the renewal fee, and within two weeks of the date of filing of such renewal application, the Board of Selectmen shall post notice of such application in three or more public places in said Weston. Every permit granted under this Section for the erection or maintenance of an advertising device shall be conditioned by its terms upon the compliance by the permittee with all requirements of state and municipal regulations applying thereto.

This by-law does not apply to signs or other devices on or in the rolling stock, stations, subways, or structures of or used by common carriers except on bridges or viaducts or abutments thereof, or to devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the prop-

erty itself or any part thereof as for sale or to let and which contains no other advertising matter; and provided further that this by-law shall not apply to billboards, signs, or other advertising devices legally maintained at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this by-law shall be punished by a fine of not more than one hundred dollars (\$100), and whoever after conviction for such violation unlawfully maintains such billboard, sign, or other advertising device for twenty days thereafter shall be punished by a fine of not more than five hundred dollars (\$500).

If any provision of this by-law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this by-law shall not be affected thereby.

ARTICLE 9. To determine whether the town will authorize and instruct the Planning Board to investigate and report to a subsequent meeting of the town as to the advisability and cost of establishing a town dump, or to act anything relative thereto.

ARTICLE 10. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin-board at the junction of South Avenue and Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this seventh day of March in the year of our Lord one thousand nine hundred and thirty-five.

HERBERT E. TYLER,
B. LORING YOUNG
BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Annual Town Meeting, March 25, 1935

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Monday, March 25, 1935 at 12 o'clock noon and were called to order by Dudley P. Ranney, Moderator. Brenton H. Dickson, Jr., Town Clerk read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

The Lower Town Hall had been fitted up as a polling place in conformity with the laws of the Commonwealth.

The cards of instructions, penalties to voters and specimen ballots were posted in accordance with the laws of the Commonwealth. The following Election Officers who had previously been appointed by the Selectmen were sworn to the faithful performance of their duties by the Town Clerk:

Ballot Clerks

Alice E. Jones

John A. Cain, Jr.

Election Officers

Frank L. Jacques

John Harte

Tellers

Richard P. Burgess

Anna H. Smith

John J. Cassidy, Jr.

Marie L. Tilton

Arthur C. Jones

John C. Waters, Jr.

William J. Loughlin

George H. Welcome

The ballot-box was publicly opened and shown to be empty. The register on the box was set at zero (0) and the box immediately thereafter locked and the keys there-to delivered to the Town Clerk.

A package of 2249 ballots was delivered to the ballot clerks by the Town Clerk who took their receipt therefor. The polls were then declared open.

Upon two occasions while the polls were open the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

7.25 P. M.	50 ballots
7.35 P. M.	50 ballots

At 7.45 P. M. the polls were declared closed.

The number of names checked on the voting lists used by the ballot clerks and the Election Officer in charge of the reception of ballots was 169. The automatic register on the ballot box read 169 and 169 ballots were taken therefrom. The ballots were counted and recorded and declaration thereof made in open town meeting by the Moderator.

While the polls were open the ballot-box was in charge of John Harte and the voting list used in connection therewith was in charge of Frank L. Jacques.

The votes were canvassed and counted by the tellers, and after record thereof had been made, the Moderator caused all ballots cast at the election, the tally sheets used in counting the votes and the voting lists used in the distribution and deposit of ballots publicly to be enclosed in envelopes, which were sealed and endorsed and certified in the manner required by law. The above mentioned envelopes, together with the ballot-box and the seal were forthwith delivered to the Town Clerk.

A true record.

Attest:

BRENTON H. DICKSON, JR.,

Town Clerk.

The meeting was called to order at 8.00 P. M.

ARTICLE 2. *Voted:* That the reports of the town officers and committees as distributed throughout the town be accepted and placed on file subject to any correction which may be made by this meeting or by the Town Clerk, and that the Town Clerk is hereby directed to make such corrections to such copies of the report as may be deposited in the archives of the town and the Public Library.

Voted: That Article 10 be now taken up in connection with Article 2 and that the reports of the Town Officers and Committees be considered separately in the order in which they are printed to the end that the Town may take such action thereon as deemed best.

Mr. B. Loring Young moved: That the amounts recommended by the Selectmen for appropriation by the Town in accordance with Section 5 of the By-laws of the Town, as set forth on pages 27 to 35 of the Town Report and amounting in the aggregate to \$240,915.00 be and hereby

are appropriated for the specific purposes and in the specific amounts set forth in said recommendations.

It was voted to ammend Mr. Young's motion by decreasing the item under Protection of Persons and Property, Fire Department, from \$13,000 to \$12,000 and also to increase the item under Highways, Equipment to \$6,500.

Mr. Young's motion as amended, was unanimously adopted, the budget voted being as follows:

BUDGET

General Government

Clerk of Committees	\$2,350.00

	<hr/>
Total of Budget . . .	\$240,915.00

Voted: That the money refunded this year to the Town by the County Treasurer under the provisions of law relating to dog licenses be expended for the support of the Public Library in such manner as the trustees shall determine.

Voted: That five persons be appointed by the Moderator to serve as a Memorial Day Committee with the authority to expend upon the observance of said day the sum of money already appropriated for that purpose. The Moderator appointed Carl T. Rhoades, Ralph F. Slayton,

Mrs. Harold B. Willis, Mrs. Walter H. Trumbull, Jr. and Arthur W. Wellington.

Voted: That of the money already appropriated a sum not exceeding forty thousand (\$40,000) dollars be taken from any money in the treasury not otherwise appropriated, provided, however, that this vote apply only to money in the treasury as of the date when the tax rate for 1935 is fixed.

Voted: That the money appropriated at this annual town meeting, not otherwise provided for, be assessed, after deducting the estimate of receipts for the ensuing year, upon the polls and estates taxable in this town and be collected as the town charges are usually assessed and collected as provided by law.

Voted: That the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, to an amount not exceeding in the aggregate \$125,000.00, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with section 17, chapter 44, General Laws.

ARTICLE 3. *Voted:* That there be transferred from the overlay reserve fund to the reserve fund the sum of \$10,388.02.

ARTICLE 4. *Voted:* That the compensation of the Auditor be fixed at \$800 and that the compensation of the Chairman of the Board of Public Welfare be fixed at \$300 per year.

Voted: That the pay reductions of town officers and employees put into effect pursuant to the vote at the annual town meeting of 1933 be restored 66 2/3% as of April 1, 1935.

ARTICLE 5. *Voted:* Pursuant to the contract of indemnity between the town and the commonwealth of December 11, 1930, the selectmen are hereby authorized in their absolute discretion to settle and pay any and all remaining claims, awards and judgments for land, grade and drainage damages arising from the alteration and reconstruction of the Boston Post Road from Sibley Road to Wellesley Street and the layout and construction of the Bypass, so-called, and takings of land in connection therewith, by the Commonwealth in 1931; and to defray any and all incidental expenses. To such purposes the following sums are hereby specifically allocated: the sum of \$751.09, which is the unexpended balance of sums previously appropriated in the budgets under the item "Boston Post Road" in the title "Highways and Bridges", and the sum of \$8,000, already appropriated under article 10 of the warrant at this meeting under said item of the current budget; and the selectmen are hereby authorized to expend for such purposes the whole or any part of said total sum of \$8,751.09.

ARTICLE 6. *Voted:* It appearing that the town, by an order of taking of the Selectmen dated May 14, 1931, took certain rights for drainage purposes in land of Zada J. Robertson, including the right to alter the water level in a pond located thereon near the intersection of the Boston Post Road and Wellesley Street, and awarded \$1,000 to her as damages for such taking; that she seasonably filed in the Superior Court a petition for the assessment of her damages, which is pending; and that she has proposed that, if the town will covenant with her and her successors in title in substance to maintain the water level in said pond at approximately its present elevation, she will release the town from liability for said award and from all claims with respect to said taking, and will convey to the town all title which she may have to certain pumping machinery installed on her land for the purpose of maintaining the water level of the pond, the right to maintain the machinery on her land and such rights of way over her land as are suitable to enable the town to perform its covenant

—this meeting deems such proposed settlement of Mrs. Robertson's claim for damages with respect to said taking to be for the best interests of the town; and the selectmen are hereby authorized to make in the name and behalf of the town a contract with her whereby the town will so covenant with her and her successors in title in consideration of such a release and such a conveyance by her, and to accept the conveyance in behalf of the town.

ARTICLE 7. *Voted:* Both votes adopted under article 4 of the warrant at the town meeting on March 21, 1932 are hereby rescinded. The selectmen are hereby authorized to purchase in fee from Zada J. Robertson, for the purposes of the public schools, a parcel of her land adjacent to the present school site and bounded northerly by the By-pass, so called, easterly by Wellesley Street, southerly by lands of Morrill, Bailey and the town and westerly by the town's land, containing approximately three acres. The sum of \$2,000, to be raised in the current year's tax levy, is hereby appropriated for such purchase, and the sum of \$305, being the unexpended balance of the appropriation made under article 4 of the warrant at the town meeting on March 30, 1931, is hereby specifically allocated to such purchase; and the selectmen are hereby authorized to expend therefor all or any part of said total sum of \$2,305.

This vote was unanimously adopted.

ARTICLE 8. *Moved:* That the Town hereby adopts the proposed by-law regulating bill-boards, signs, or other advertising devices as printed in the warrant under the heading of Article 8.

It was moved and voted to amend the first paragraph as follows: "No person, firm, association or corporation, except societies, clubs or other organizations existing within the Town of Weston solely for social, charitable or religious purposes, shall erect, display or maintain a billboard, sign, or other outdoor advertising device in the town except those exempted by the last paragraph of (h) and

in the fourth paragraph of (i) of this by-law, as printed in the Town Warrant.

It was also voted to amend said paragraph by adding thereto the following "The Board of Selectmen may modify these regulations for such people as are engaged in operating a farm as a business or partial means of support and if such modification is not satisfactory to such persons the Board may call a public hearing and thereafter make such definite rulings as they see fit."

The original motion, as amended, was adopted.

The by-law, as voted:

No person, firm, association or corporation, except, societies, clubs or other organizations existing within the Town of Weston solely for social, charitable or religious purposes, shall erect, display or maintain a billboard sign or other outdoor advertising device in the town except those exempted by the last paragraph of (h) and in the fourth paragraph of (i) of this by-law, as printed in the Town Warrant.

The Board of Selectmen may modify these regulations for such people as are engaged in operating a farm as a business or partial means of support and if such modification is not satisfactory to such persons the Board may call a public hearing and thereafter make such definite rulings as they see fit.

- (a) Within fifty (50) feet of any public way.
- (b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same.
- (c) Nearer than fifty (50) feet to any other such billboard, sign, or other advertising device, unless such billboards, signs, or other advertising devices are placed back to back.
- (d) On any location at the corner of any public ways and within a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect.

- (e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet.
- (f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet.
- (g) In any event, if such billboard, sign, or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Board of Selectmen may permit the erection of billboards, signs, or other advertising devices which do not exceed (40) feet in length and fifteen (15) feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.
- (h) No billboard, sign, or other advertising device shall be erected, displayed, or maintained in any block in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if written consent of the owners of a majority of the residential and vacant frontage on both sides of the street in such block is first obtained and is filed with the Board of Selectmen together with the application for a permit for such billboard, sign, or other advertising device. Provided, however, that the foregoing provisions (a) to (h) both inclusive, shall not apply to districts which may be zoned as of industrial character.
- (i) No billboard, sign or other advertising device shall be erected, displayed, or maintained until a permit therefor has been issued by the Board of Selectmen, pursuant to the following provisions.

An applicant for a permit to erect a billboard, sign or other advertising device shall file with the Board of Selectmen a written application therefor, together with a sketch showing the exact location and the written consent of the owner of the property upon which such billboard, sign, or other advertising device is proposed to be erected, displayed, or maintained, accompanied by an examination fee of \$2. Upon receipt of the foregoing, the Board of Selectmen shall hold a public hearing on said application, notice of which shall be given by posting the same in three or more public places in Weston at least one week before the date of such hearing, and upon the holding of such hearing, the Board of Selectmen shall within ten days thereafter grant or refuse such permit.

All permits granted under this Section shall expire June 30 of the calendar year following the date of the application. Application for the renewal of the permit granted under this Section shall be made not later than thirty days prior to the expiration of such permit and shall be accompanied by a fee of \$2 to be known as the renewal fee and within two weeks of the date of filing of such renewal application, the Board of Selectmen shall post notice of such application in three or more public places in said Weston. Every permit granted under this Section for the erection or maintenance of an advertising device shall be conditioned by its terms upon the compliance by the permittee with all requirements of state and municipal regulations applying thereto.

This by-law does not apply to signs or other devices on or in the rolling stock, stations, subways, or structures of or used by common carriers except on bridges or viaducts or abutments thereof, or to devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the property itself of any part thereof as for sale or to let and

which contains no other advertising matter; and provided further that this by-law shall not apply to billboards, signs, or other advertising devices legally maintained at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this by-law shall be punished by a fine of not more than one hundred dollars (\$100), and whoever after conviction for such violation unlawfully maintains such billboard, sign, or other advertising device for twenty days thereafter shall be punished by a fine of not more than five hundred dollars (\$500).

If any provisions of this by-law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this by-law shall not be affected thereby.

ARTICLE 9. *Voted:* That the Planning Board be and hereby is authorized and instructed to investigate and report to a subsequent meeting of the town dump, whether by the acquisition of additional land or by the use of any land now owned by the town.

Article 10 had previously been taken up in connection with Article 2.

The meeting was dissolved at 9.30 P. M.

Yours truly,

HERBERT E. TYLER,
Chairman, Board of Selectmen.

Received and recorded, May 23, 1935.

BRENTON H. DICKSON, JR.,
Town Clerk.

By-Laws Regulating Billboards, Signs or Other Advertising Devices

Being Article IX of the By-Laws of the Town as approved by Paul A. Dever, Esq., Attorney General of the Commonwealth May 29, 1935.

No person, firm, association or corporation, except societies, clubs or other organizations existing within the Town of Weston solely for social, charitable or religious purposes, shall erect, display or maintain a billboard, sign or other outdoor advertising device in the town except those exempted by the last paragraph of (h) and in the fourth paragraph of (i) of this by-law.

The Board of Selectmen may modify these regulations for such people as are engaged in operating a farm as a business or partial means of support and if such modification is not satisfactory to such persons the Board may call

a public hearing and thereafter make such definite rulings as they see fit.

- (a) Within fifty (50) feet of any public way.
- (b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same.
- (c) Nearer than fifty (50) feet to any other such billboard, sign, or other advertising device, unless such billboards, signs, or other advertising devices are placed back to back.
- (d) On any location at the corner of any public ways and within a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect.
- (e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet.
- (f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign, or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet.
- (g) In any event, if such billboard, sign, or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Board of Selectmen may permit the erection of billboards, sign, or other advertising devices which do not exceed forty (40) feet in length and fifteen (15) feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.
- (h) No billboard, sign, or other advertising device shall be erected, displayed, or maintained in any block

in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if written consent of the owners of a majority of the residential and vacant frontage on both sides of the street in such block is first obtained and is filed with the Board of Selectmen together with the application for a permit for such billboard, sign, or other advertising device.

Provided, however, that the foregoing provisions (a) to (h), both inclusive, shall not apply to districts which may be zoned as of industrial character.

- (i) No billboard, sign or other advertising device shall be erected, displayed, or maintained until a permit therefor has been issued by the Board of Selectmen, pursuant to the following provisions.

An applicant for a permit to erect a billboard, sign or other advertising device shall file with the Board of Selectmen a written application therefor, together with a sketch showing the exact location and the written consent of the owner of the property upon which such billboard, sign, or other advertising device is proposed to be erected, displayed, or maintained, accompanied by an examination fee of \$2. Upon receipt of the foregoing, the Board of Selectmen shall hold a public hearing on said application, notice of which shall be given by posting the same in three or more public places in Weston at least one week before the date of such hearing, and upon the holding of such hearing, the Board of Selectmen shall within ten days thereafter grant or refuse such permit.

All permits granted under this Section shall expire June 30 of the calendar year following the date of the application. Application for the renewal of the permit granted under this Section shall be made not later than thirty days prior to the expiration of such permit and shall be accompanied by a fee of \$2 to be known as the renewal fee and within two weeks of the date of filing of such renewal ap-

plication, the Board of Selectmen shall post notice of such application in three or more public places in said Weston. Every permit granted under this Section for the erection or maintenance of an advertising device shall be conditioned by its terms upon the compliance by the permittee with all requirements of state and municipal regulations applying thereto.

This by-law does not apply to signs or other devices on or in the rolling stock, stations, subways, or structures of or used by common carriers except on bridges or viaducts or abutments thereof, or to devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the property itself or any part thereof as for sale or to let and which contains no other advertising matter; and provided further that this by-law shall not apply to billboards, signs, or other advertising devices legally maintained at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this by-law shall be punished by a fine of not more than one hundred dollars (\$100), and whoever after conviction for such violation unlawfully maintains such billboard, sign, or other advertising device for twenty days thereafter shall be punished by a fine of not more than five hundred dollars (\$500).

If any provision of this by-law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this by-law shall not be affected thereby.

A true copy.

Attest:

BRENTON H. DICKSON, JR.,

Town Clerk.

I hereby certify that notice of the foregoing by-law was

given by publication in the Weston News Review June 12, June 19 and June 26, 1935.

BRENTON H. DICKSON, JR.,
Town Clerk.

Perambulation of the Weston and Natick Lines

We, the Selectmen of the Towns of Weston and Natick, have this fifth day of October, 1935, perambulated the line between said towns and verified the bounds, and report as follows:

Beginning at a stone monument marked "N" "W" and "ES" at the end of a wall near a ledge about 350 feet north of Wallace Leadbetter's house, thence running southerly to a stone monument at the north end of a wall on South Avenue; thence to a stone monument on the north side of Nonesuch Pond; thence to a stone monument by a white oak on Winter Street; thence to a stone monument on the east side of a stone wall, thence to a stone monument marked "N" "W" and "W" at the corner of a wall in land of Andrew Loker, said stone being the corner of Weston, Natick and Wellesley.

The intermediate bounds are marked "N" and "W".

These bounds are all on a straight line, and starting from the first stone marked "N" "W" and "ES", the line runs south 3 degrees, 17 minutes, east.

WILLIAM F. BUFFINGTON
RAPHAEL AMOROSO
JAMES C. POWERS

Selectmen of Natick.

Town Clerk.

Perambulation of the Weston and Waltham Lines

On the 26th day of November, 1935, the undersigned thereto duly authorized by the Board of Selectmen of the Town of Weston and the undersigned, duly authorized by

the City Council of the City of Waltham, met on the boundary line of the two municipalities and examined the same to establish the bound marks between the two municipalities.

The line is described as beginning, according to the Topographical Survey Commission of the State of Massachusetts, at an unmarked point in the channel of the Charles River at the mouth of Stony Brook, south 68 degrees, 1 minute, west, about 300 feet distant from the witness mark, a granite monument marked "N" "W" and situated on the north side of a swampy island near the southerly bank of the river, close against the westerly side of a decayed oak stump; thence northerly along the channel of Stony Brook, as it existed previously to the construction of the Cambridge Reservoir, about two miles to an unmarked point in said channel thence north 23 degrees, 10 minutes, east, about 150 feet to a witness mark, a granite monument marked "W" "W" and situated in a wall about 275 feet southerly from the intersection of the Fitchburg and Central Massachusetts divisions of the Boston and Maine Railroad; thence north 23 degrees, 10 minutes, east, about 150 feet to a witness mark, a granite monument marked "W" "W" and situated in a wall about 275 feet southerly from the intersection of the Fitchburg and Central Massachusetts divisions of the Boston and Maine Railroad; thence north 23 degrees, 10 minutes, east 5861 feet to a granite monument marked "W" "W" and situated in a swamp about 800 feet southeasterly of the house of Tyler on Lexington Street; thence north 66 degrees, 1 minute, west 2487 feet to a granite monument marked "W" "W" situated in cultivated land, 450 feet southwesterly from the southerly end of a farm road leading from the house of Jones on West Street; thence north 23 degrees, 26 minutes, west, 2318 feet to a granite monument marked "W" "W" and situated in woodland at a junction of walls; thence north 67 degrees, 44 minutes, west, 945 feet to a granite monument at the corner of Lincoln, Waltham and Weston, marked "L" "W" "W" and situated on high wood-

land three feet south of a junction of walls. Bounds are also set at the junction of Main Street, Waltham or North Avenue, Weston; and at West Street, Waltham, or Lexington Street, Weston, approximately on the above lines as described.

EDMUND A. BROE
 JOSEPH D. McCARTHY
 HENRY F. BEAL
 ELBERT L. GREENE, Asst. City Clerk.
 HERBERT E. TYLER
 MAURICE L. UPHAM, Substitute
Selectmen of Weston.

BRENTON H. DICKSON, JR.,
Town Clerk.

December 6, 1935.

At a joint meeting of the Board of Selectmen and the Town Clerk Lawrence A. Hill, Westland Road, was drawn as a Grand Juror.

A true record.

Attest:

BRENTON H. DICKSON, JR.,
Town Clerk.

Perambulation of Wayland and Weston Lines

We, the Selectmen of the towns of Weston and Wayland have this seventh day of December, 1935, perambulated the line and renewed the bounds between said towns and report as follows, viz:—

Beginning at a stone monument in a swamp marked W E S and L at the northeasterly extremity of the line be-

tween Weston and Wayland and at the angle made by the corner of Weston and Lincoln, and thence running in a southwesterly direction 52 rods to a stone monument in land of R. Parker, and thence southerly in a straight line to a stone monument on the hill near the house of Wallace Leadbetter, marked W N and E S. This stone is at the end of a wall on a ledge of rocks, and is the corner bound between Weston, Wayland and Natick. Between the two last mentioned bounds, on a straight line are eleven intermediate bounds with intervening distances as follows:

From the first one on Parker's land to the second one also on Parker's land 57 rods, $5\frac{1}{2}$ feet; next on road near Charles E. Smith's 110 rod, 7 feet; next on land of Mrs. Moses Fuller, 72 rods, 13 feet; next on land of Francis B. Ripley, 89 rods, $2\frac{1}{2}$ feet; next on land of French, 110 rods, 16 feet, about 50 feet from westerly side of wall; next on land of Estate of Frank W. Bigelow, 133 rods, $6\frac{1}{2}$ feet, about 50 feet north of railroad track; next on road by J. G. Pierce, 103 rods, $14\frac{1}{2}$ feet; next on land of Louis W. Dean, 169 rods, $3\frac{1}{2}$ feet; next on land of Alexander Sauer, 122 rods, 4 feet, about 50 feet westerly from a wall; next on land of Paul Hamlen, 84 rods, 15 feet, about 10 feet westerly from a wall; next on land of Francis Shaw, 182 rods, about 12 feet westerly of wall; next 111 rods, $10\frac{1}{2}$ feet which is the bound at the southerly extremity. The whole distance of said line is four miles, 122 rods, less one foot.

J. FRED WHEELER

ARTHUR HEARD DUDLEY, Sub.

Selectmen of Wayland.

HERBERT E. TYLER,

MAURICE L. UPHAM, Sub. .

Selectmen of Weston.

Received and recorded, December 9, 1935.

BRENTON H. DICKSON, JR.,

Town Clerk.

December 13, 1935.

TOWN CLERK, WESTON, MASS.

Dear Sir:

At a meeting of the Board of Selectmen held on December 13, 1935 Charles H. Wheelock, Boston Post Road, was granted an auctioneer's license.

Yours truly,

HERBERT E. TYLER,
Chairman, Board of Selectmen.

Received and recorded, December 13, 1935.

BRENTON H. DICKSON, JR.,
Town Clerk.

December 12, 1935.

MR. BRENTON H. DICKSON, JR.

TOWN CLERK, WESTON, MASS.

Dear Mr. Dickson:

Mr. Stanley Morton has resigned as a member of the Finance Committee. I accept his resignation.

I appoint Homer N. Sweet to be a member of the Finance Committee for Mr. Morton's unexpired term.

Very truly yours,

DUDLEY P. RANNEY,
Moderator.

Received and recorded, December 14, 1935.

BRENTON H. DICKSON, JR.,
Town Clerk.

A true copy of the records of the Town of Weston for the year nineteen hundred and thirty-five.

BRENTON H. DICKSON, JR.,
Town Clerk.
